To Stop Playback Music, Press "PLAY" button again. GREEN LED indicator will light steadily.

REMARK

1. The unit need not be turned off during normal use. When the unit will not be used for a prolonged period of time (like 1 month), switch off the power to avoid battery damage or deterioration. The battery is a consumable item not covered by the manufacturer's warranty conditions.
2. Avoid charging over 24 hours, as overcharging might cause battery damage or deterioration.

- * For first time use, please charge up to 8 hours.
- * Specifications in this manual are subject to change without prior notice.

Frequently Asked Questions:

1. Unit does not turn on?
 - Check if the Power On switch is turned on. Switch is located on the upper right side of the unit.
 - Check if battery if battery is drained. Plug to a PC's USB port to recharge.
2. Cannot record?
 - Check if memory is full. Access the memory from a PC and remove files.
